

## **Peanut/ Nut Allergy Alert**

To all staff, coaches, room parents, group leaders and other adults in charge of groups using public meeting areas at Chester Academy:

Please be aware that we have students in our building who are severely allergic to peanuts/ nuts. For the safety and health of all students, staff and other individuals in the building, please avoid the use of peanuts and peanut butter products along with all nuts for classroom or group activities.

Individual students are allowed to bring peanut butter items for their own personal consumption in the cafeteria, but we need to eliminate any group use of peanuts or nut products.

Also, please remember the Peanut/Nut-Free table in the cafeteria is to be kept **Peanut/Nut-Free at all times**. That includes all lunch periods, during snack time and for any before /during/after school activities. Thank you in advance for your cooperation with this important matter. Please see us if you have any questions.
