

## CHESTER CHILD FIND CLINICS

The Chester School District will be holding two Child Find Clinics at Chester Academy on December 1, 2011 and March 15, 2012 from 12:30 pm to 3:00 pm. The purpose of the Child Find is to screen the developmental skills of children between the ages of 3 to 6 (those not enrolled in first grade) who may be in need of special education services. The screenings are completed by school personnel and address the areas of motor skills, speech and language, vision, hearing, and pre-academics. If you think your child may have difficulties or a delay in any of these areas, please call 887-3621, extension 146 to set up an appointment (appointments are required). This service is free of charge and open to all Chester residents. All results are confidential.
